Friday 20th May 2022

It has been a bit of a strange week with Monday's fixtures all being postponed and then the dust storm later in the week meaning that some outside fixtures also has to be postponed.

However, we were happy to get some of the other fixtures played and as usual the DBS students put up a great fight.

Next week is one of our busiest weeks yet, we've got swim galas, rounders, basketball and cricket matches going on, as well as our first ever water polo match. We've been very fortunate to have a coach from Hamilton come in to help to train our team and can't wait to see how they get on.
