Welcome from the Primary Headteacher

Dear Parents,

Welcome to Dubai British School Emirates Hills. We are delighted that you are joining our community. From the very beginning, you will notice the strong sense of connection that runs through the school - a place where relationships matter, where children are truly known, and where there is a shared commitment to helping every learner succeed.

Our structure of four classes per year group allows us to retain a genuinely close and supportive feel. It means we can take the time to understand each child as an individual and work in close partnership with families, ensuring that children feel secure, valued and ready to flourish.

We recognise that joining a new school is an important moment for both children and parents. Our aim is to make this transition as smooth and positive as possible. This Welcome Handbook has been carefully designed to give you clear, practical guidance and to help you feel confident and well-prepared from the outset.

Central to our approach is a commitment to recognising and developing each child's unique student assets. We begin with what children can do - their strengths, interests and potential - and build learning from that foundation. Through high-quality teaching and purposeful experiences, children are encouraged to grow in confidence, think independently and develop the resilience needed to succeed both in school and beyond.

A rich and varied school experience is equally important to us. Alongside the curriculum, our wide-ranging Extra-Curricular Activities (ECA) programme offers opportunities in areas such as leadership, entrepreneurship, the arts and sport. These experiences broaden horizons, build confidence and bring learning to life in meaningful ways.

From your first day with us, we are committed to ensuring that both you and your child feel a strong sense of belonging. In the opening weeks of term, there will be opportunities to meet your child's teacher and connect with members of the Senior Leadership Team - we warmly encourage you to attend.

Everything we do is underpinned by strong relationships, high expectations and a belief in each child's potential. This creates a learning environment where children feel safe, supported and challenged - enabling them to achieve highly and develop into confident, capable individuals.

We look forward to getting to know you and to welcoming your family into the DBS Emirates Hills community.

Kind regards,
Carol Foster
Head of Primary

Inclusion Department

INCLUSION SUPPORT

Our vision 'Enjoy, Aspire, Achieve' applies to every student who attends DBS Emirates Hills.

Since our establishment, we have prided ourselves on being an inclusive school supporting a diverse range of pupil needs. We are proud to have a strong inclusion team of Teachers and Learning Assistants, with a wide range of expertise, skills and qualifications to ensure that every student's needs can be identified swiftly and supported appropriately.

Early intervention is a key factor in determining student success. This, alongside strong parent partnerships, are essential components of our support strategy. Therefore, if you have a concern regarding your child's learning please do speak to your child's teacher in the first instance. Our staff will be able to best advise you on how to take your concern forward. Equally if our staff have any concerns about your child they will raise them directly with you before proceeding with any intervention.

Where students do need an additional layer of support, we ensure that parents' queries and concerns about their child's development are discussed openly and thoroughly before putting a support plan in place. Once these conversations have happened together, the school and parents collaborate to devise a personalised educational plan for their child, which meets both the child's academic and pastoral needs.

The nature and level of the support we offer depends on the needs of your child and can be short or long term, individual or group, within the classroom or outside of the classroom. We tailor support for every child differently. Rigorous monitoring procedures around every intervention ensure that however we are supporting your child, we know that it is making an impact. Additionally, the traditional curriculum is not always suited to all. Consequently we can also offer bespoke curriculum pathways to meet every student's needs.

If more specialised intervention is required we liaise closely with outside agencies including educational psychologists, occupational therapists and speech therapists. These agencies work in partnership with both the teachers and parents, offering advice and guidance on adaptations that may be required.

We are committed to nurturing every pupil and empower successful, well rounded individuals, equipping them with the skills essential for life-long learning.

School Life at DBSEH

LUNCHES, SNACKS AND BREAKS

Students can bring their own packed lunches and snacks. We encourage a healthy eating policy, therefore please do not include chocolate, sweets, carbonated or caffeinated drinks as part of your child's packed lunch or snacks. Students will have a morning break of 15 minutes and lunch break of 40 minutes. Please ensure your child has a labelled water bottle which they are able to refill in school.

Please note that we have students on site with fatal nut and sesame seed allergies. Nuts and sesame seed products, such as Nutella and hummus, must not be included in packed lunches. We are also a pork free school.

Watch this space - Leela's lunches coming to Islands Campus soon. More information to be shared in the new academic year.

BACKPACKS

Students must bring their own backpack. Please note the 'wheelie' luggage type bags on wheels are **not** permitted due to space in cubbies.

CUBBIES

FS and Primary students each have an open cubby where they can place their belongings during the day.

All belongings including backpack, lunch bag, hat, water bottle etc must fit in their allocated cubby, to keep the hallways clear, as a matter of health and safety.

STATIONERY

Stationery is provided at no extra cost, but children may wish to bring their own pencil cases and stationery in Years 1-6.

School Life at DBSEH

PHYSICAL EDUCATION

Foundation and Primary have PE twice weekly and will wear PE kits to school on their designated day - your child's class teacher will inform you of these.

When your child's PE group is doing swimming, your child will wear his or her PE kit to school and change into swimwear at school. Swimming blocks will be announced via email. Please remind your child to wear their PE kit on the relevant day, as lessons will begin on the first day of the new term.

EXTRA-CURRICULAR ACTIVITIES (ECAS)

DBS offers a wide variety of ECAs for Year 1 and 2. You will receive the ECA options for each term by email after the term starts, along with instructions on how to sign up. Many of our ECAs are run by staff and there is no fee for these but we also offer ECAs run by external companies who require a fee for participation. Further information on ECAs will be released in due course.

DUBAI PERFORMING ARTS

We are also proud partners of the DPA Academy and can offer peripatetic vocal lessons to students. Just as with CMA, these are charged termly and take place on a rotating timetable throughout the school day. For more information, please email info@dubaiperformingarts.com

DPA also offer a rich range of after school activities on site, the details of which will be emailed to parents prior to the start of the term.

Medical Team

WELCOME FROM THE MEDICAL TEAM

Dear Parents,

We would like to extend a very warm welcome to all students and their parents. We are looking forward to working with you and your children here at Dubai British School Emirates Hills. To ensure your child's health and safety we would like to share a few points with you.

We shall be present at all times during the school day to administer first aid as required. Children who are taken ill at school will be cared for by us until they are fit enough to return to class or a parent/guardian can be contacted and arrangements made for them to be collected and taken home.

Please also be aware that children are not allowed to go home via taxi unless escorted by a parent/guardian. The expected pick up time is 15-20 minutes.

If your child has a persistent condition, allergy or medical condition that the school should be aware of, please specify in detail the nature of the condition, the signs and symptoms and any medication that may need to be administered.

If you have not completed the school's medical form, please ensure that this is completed and returned, along with a copy of all childhood vaccinations, prior to schools commencement.

If you have any further queries, please do not hesitate to contact us. We look forward to a safe and healthy school year. Thank you for your understanding and co-operation.

Kind regards,

House Allocation

YEAR 1 & 2 HOUSE ALLOCATION

A large part of our community spirit is rooted in our House System. Every student is allocated to a school 'House' upon accepting a place. Please purchase the relevant House badge from Magrudy's and iron onto the sleeve of your child's PE shirt. Along with this Handbook, you should receive your child's House. Please refer to the email you will receive from Admissions.

Students will be encouraged to wear their house colours during competitions throughout the year.

- **Falcons - Blue**
- **Vipers - Red**
- **Scorpions - Green**
- **Wildcats - Yellow**

PRIMARY HOUSE SYSTEM:

The DBSEH house system provides a sense of shared identity and community between our students in different classes and year groups.

The school's reward system builds upon the house system allowing the students to earn merit points which have value both for themselves and for their house.

As students move through the school they are open to take part in regular house events, which could be academic (reading, spelling bees, writing competitions); sporting (athletics, swimming galas, cross country), extra curricular (bake-offs, designing, musical performances) and allow each student to be recognised and celebrated for their unique interests, skills and talents.
